

If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing. - John 15:5

Prophetic Prayer

1. Pause for 30 seconds, asking God to show you how to pray for your partner through a word, picture, or scripture to share that will encourage them.
2. Whatever has popped into your head, pray out of it if it follows the ABCs: Affirming, Biblical, and Christ-like.
3. Ask God to reveal more as you share.

Healing Prayer

1. Place a hand on the person's shoulder or place that needs healing.
2. Begin with Thanksgiving. "Father, I thank you for (name), I thank you for your healing power and love."
3. Pray a short prayer speaking to the condition. "In the name of Jesus, be healed!" Tell the body what you want it to do. "Neck pain, be gone, sickness leave." Pray against any spiritual opposition.
4. Ask the person you are praying for how they are feeling. (If it's something they can feel). If it's better, praise Jesus, if not pray a few more times.
