

All our services, including being able to offer *Parent University* to the mama and papa of an unplanned pregnancy is a *vital* piece of a LIFE decision.

Parent University provides critical parent education, resources, empowerment & preparation for baby-on-the-way, as well as ongoing support once baby is born! At each visit, participants shop our “no-charge” baby boutique for needed baby items.

We're in it for the long haul! But we absolutely cannot do it without the tireless support of our loving community! We *THANK YOU* for ***not growing weary in doing good...*** We *THANK YOU* for making it possible to offer hope and help to moms, dads and babies in your community

Choices is averaging 90 Parent University sessions per month in 2024! That averages 4-5 parents **per day** that receive encouragement, education, Gospel-centered hope & love, *along with* material items for their baby-on-the-way. They also receive additional resources & referrals for their specific life circumstances!

*The need is great. But GOD IS GREATER!*
